Rosemont Mine summary doc 092515 kmg.docx

Thanks. See attached for a few edits. When we send this paper to Karin, we should also send her the latest timeline from the Corps and a copy of our DEIS comments letter.

Hi Kathy,

As we discussed in the mine team meeting, attached is the revised Rosemont briefing paper. It's closely modeled after a paper that we have recycled a bunch of times, but with a few minor edits to bring it up to date. Let me know if you would like me to add to it at all or if it seems adequate as-is to meet our needs in briefing Karin Leff.
